

# FISCAL NOTE

## SB 2203 - HB 2191

January 29, 1998

**SUMMARY OF BILL:** Deletes language in the law that allows the Hawkins County Executive to be paid at the same level as the General Sessions Judge in Hawkins County. The county executive in that county is currently paid at the level established for all county executives.

### ESTIMATED FISCAL IMPACT:

#### MINIMAL

Since the county executive is paid at the statewide level, the provisions of this bill are not anticipated to have an impact on Hawkins County. However, the salary schedule for general sessions judges was amended in 1997 and a higher salary scale will take effect Sept. 1, 1998. *To the extent that future county executives would have been paid at the higher general sessions judge rate in the absence of this bill, the local government would avoid cost with its passage.*
